Community Hero Award -

The House Next Door recently awarded the “Cecil Paul and Maria Jones Community Hero Award” to long-time benefactor, Larry Kent. The award was created this year in recognition of Paul and Maria Jones, who have dedicated decades of volunteer hours meeting our community’s needs and have been steadfast supporters of The House Next Door.

The recipient of the award must have demonstrated dedication to the promotion of nurturing and empowering families in our community combined with a strong sense of civic duty. This year’s winner, Larry Kent, has for years, and continues to, put his whole heart and soul into his community, advocating for those in need. His contributions to our agency began in the eighties in a model home on Deltona Blvd. His support for our agency hasn’t waivered since then. His support has only increased over the years.

Florida Hospital DeLand staff at our first 5k in April of 2018.
The West Volusia Hospital Authority (WVHA) is an independent special taxing district established by the State of Florida for the purpose of providing access to health care for indigent residents of the district. We have assisted people in applying for the health care benefits for the past four years. This consisted of helping them understand and gather the required documentation to prove eligibility, reviewing the completed application to assure it was complete and met all requirements, and then submitting the application to a third party for approval. The House Next Door is excited to be taking on a new role for the Authority. As of January 1, 2019, The House Next Door has assumed the approval process. We are confident that by having both the application process and the approval process in house, we can expedite the process for our clients and provide better service.

The WVHA Health Care staff have expanded to a total of seven to be able to carry out our new duties. In order to house the additional staff, we have opened a new office in Justin Square, in Deltona. While two of our Application Screeners will remain in DeLand, the remainder of the program staff will be in the new office in Justin Square. Stop in and say Hi!
